## Master Classes, Continual Professional Development and Certification Training – 2016

The PAA training program has been specifically designed to provide the practitioner with hands on training and a theoretical background to provide quality treatment services and products to their clients. The training is a requirement of the PAA certification criteria which is administered by the Pedorthic Register of Australia.

Continual Professional development hours are also a requirement to renewing certification annually.

**30 Hours of approved PD training hours are now required each year for Certified Pedorthists.**

**Sign up for a 2<sup>nd</sup> course and get 20% off that course fee.**

**Sign up for a 3<sup>rd</sup> and receive 30% off that course fee.**

Precert A training provides the necessary 16 hours of preliminary training for certification of Medical Grade Footwear Practitioners at the Retail Pedorthist Level.

Precert B training provides the additional necessary 16 hours of preliminary training for certification of Medical Grade Footwear Practitioners at the Certified Pedorthist Level.
